Dear Magistrate,

Please make a notation on record that the petitioner has tried twice to have the filing fee deducted, however Sue Franklin - Clerk insists money was already taken but there is no record of it. Petitioner would just like record to reflect his pending - as if today petitioner has filed a complaint (guidance). Thank you for the notation and record of it, and order by the Court to pay filing fee. Thank you for your consideration.

Sincerely,

Respectfully,  
X Juan Villar Sanchez
